**Mission Statement**

Mentor Language Institute (MLI) offers English as a Second Language (ESL), English for Academic Purposes (EAP), and English for Specific Purposes (ESP) instruction that meets the needs of the students and empowers them with a lasting ability to use English successfully in their academic, professional, and personal pursuits.

**Goals**

The goals of Mentor Language Institute are to implement language instruction to help foreign students function successfully in an English-speaking environment; to introduce and foster study habits commonly expected at American institutions of higher learning; to aid in the development of students’ abilities to think critically and read, write, listen, and communicate in English effectively; and to build students’ self-confidence and self-esteem when communicating in English in academic, professional, and personal situations.

**Standards**

At Mentor Language Institute, we put into practice a learning process in which our students are exposed to a variety of educational methods. Our classes are specifically tailored to meet our students’ academic needs. To this end, we ensure that all ESL Conversation, and Business classes have a maximum 15-to-1 student-teacher ratio, and a 17-to-1 student-teacher ratio in Test Preparation classes. We implement high learning standards and teaching methods in helping students reach their academic goals. With a four-program ESL curriculum, specialized test preparation classes, highly qualified instructors, and excellent facilities and equipment, MLI is committed to quality educational standards and academic achievement.

**Values**

At Mentor Language Institute, we value diversity and encourage each student to share his or her unique cultural background. We foster a learning process in which our students are exposed to a variety of educational methods, and our classes are specifically tailored to meet our students’ academic needs and goals. MLI strives to cultivate mutual understanding and friendly relationships among students, staff, and instructors through in-class instruction, outside activities, and campus events.

**International Students**

Mentor Language Institute is a private institution that is approved to operate by the Bureau for Private Postsecondary Education and authorized by the United States Citizenship and Immigration Service (USCIS) to accept nonimmigrant alien students. Our highly experienced staff can provide students with immigration information and documents required for visa processing. However, no visa services are offered.

**English as a Second Language (ESL)**

Eight levels of ESL classes are offered. All classes are especially developed to improve both written and oral expression. Each class has a maximum 15-to-1 student-teacher ratio. Books and other materials are carefully chosen to provide an integrated approach, covering grammar, vocabulary and idioms, reading, writing, listening, pronunciation, and speaking. Aspects of American culture are also introduced to help students understand and

C. Notice to Students: ACCET Complaint Procedure

This institution is recognized by the Accrediting Council for Continuing Education & Training (ACCET) as meeting and maintaining certain standards of quality. It is the mutual goal of ACCET and the institution to ensure that educational programs of quality are provided. When problems arise, students should make every attempt to find a fair and reasonable solution through the institution’s internal complaint procedure, which is required of ACCET accredited institutions and frequently requires the submission of a written complaint. Refer to the institution’s written complaint procedure which is published in the institution’s catalog or otherwise available from the institution, upon request. Note that ACCET will process complaints which involve ACCET standards and policies and, therefore, are within the scope of the accrediting agency.

In the event that a student has exercised the institution's formal student complaint procedure, and the problem(s) have not been resolved, the student has the right and is encouraged to take the following steps:

1. Complaints should be submitted in writing and mailed, or emailed to the ACCET office. Complaints received by phone will be documented, but the complainant will be requested to submit the complaint in writing.

All instruction is in English.

F. Test Preparation

MLI offers several courses for foreign students seeking to take standardized tests with English language components. Vocabulary and grammar are studied intensively in these courses. Instructors make use of up-to-date materials and methods to help students sharpen their reading and listening comprehension skills. Students also learn specific strategies to maximize their test potential and feel more confident about taking tests.

All classes are taught in an intimate and friendly atmosphere, with a maximum 17-to-1 student-teacher ratio. Students are individually tested at the beginning of their studies to establish their appropriate program and to provide a basis for measuring their progress.

MLI currently offers test preparation courses for the Internet-Based TOEFL® (also known as the TOEFL® iBT), GRE®/GMAT®, IELTS™ and TOEIC®.

II. FACILITIES & INSTRUCTORS

A. Campus Facilities

Campus Facilities

Mentor Language Institute has 2 campuses in the Los Angeles area where instruction is held, one in Westwood and one in Hollywood. Both campuses offer modern facilities and equipment, such as computer labs and wireless Internet connections. Students have access to kitchen and dining facilities, vending machines, and a multitude of restaurants located in the surrounding areas. Each campus offers a unique geographic locale, giving students numerous opportunities to participate in the many social and cultural activities that Los Angeles has to offer.

Westwood Campus

Westwood is a vibrant, unique neighborhood located on the west side of Los Angeles. Westwood is famous for being the home of UCLA. It is a very fun and popular area for students since there are a lot of university students and many shops, restaurants and safe places to hang out. Our campus is located across from the Hammer Museum, which is a world-famous art museum and cultural center. Less than a 10 minute walk away is Westwood Village, a historical landmark full of trendy shopping and restaurants.

Hollywood Campus

When most people think of Hollywood, they think of one thing: movies. It’s true that Hollywood is the site of many world movie premieres, and is home to Paramount Studios, several well-known theaters (including Grauman’s Chinese and its celebrity handprints), and the stars of the Hollywood Walk of Fame. But Hollywood offers students much more than just limousines and movie stars. Our campus is located at Hollywood and La Brea. From there, students have easy access to several large shopping malls and countless small shops. It’s also mere minutes from Griffith Park and the world-renowned Griffith Observatory, Sunset Boulevard—known locally as “the Strip”—is just two blocks south. This famous street is home to a whole world of bars, comedy clubs, nightclubs, and restaurants, and is traditionally thought to be the center of Los Angeles’s nightlife. And, of course, the iconic Hollywood sign overlooks the entire neighborhood.
B. Equipment & Materials

i. Equipment
Each classroom is equipped with standard equipment, including large whiteboards, lecterns, CD players, and desks. Additionally, MLI uses a variety of resources to facilitate the learning process. Teachers have access to a TV, a laptop with DVD player and Internet connection in each classroom and frequently supplement regular course materials with audio and visual aids. The school also has an overhead projector available for instructors to utilize.

MLI offers free Wi-Fi internet connections, and some chromebooks in the student lounge as well as a computer lab for students to use both in and out of class. For classes that require writing assignments, students will have access to the lab during non-instruction hours for writing purposes. For classes requiring students to work directly on a computer, such as TOEFL® preparation, students get hands-on experience in the computer lab, simulating realistic testing situations.

Mentor Language Institute does not have equipment for the hearing impaired and is not able to provide instruction in Braille.

ii. Materials
Every section in each program is assigned one or two textbooks that have been carefully vetted for that particular class and a syllabus detailing how the texts will be used. There are also instructional and supplemental texts and audio-visual materials available for both instructors and students to use to enhance what is learned in the classroom.

C. Library and Learning Resources
Mentor Language Institute has a small library with a variety of resources. These include ESL resource books, new and used textbooks, novels, reference books (dictionaries, encyclopedias), CDs and DVDs (both for educational and entertainment purposes), and a computer lab. For most of the learning resources, students are allowed access only on campus, in either the resource library or the computer lab. However, students are allowed to take the following resources off campus after checking them out with the Front Desk: CDs and DVDs (entertainment-related materials only), used textbooks, and novels. In order to check out these materials, the student must complete a form on which he/she provides the title of the item to be checked out, along with the student’s contact information. A return date will then be posted on the form.

D. Activities
Because learning involves much more than classroom study, MLI regularly plans outside activities, both educational and fun. Through activities such as cultural and historical excursions, museum visits, beach trips, etc., students have the opportunity to learn about American culture and lifestyles.

E. Instructors
Our instructors are experienced English teachers with native-level fluency. They are committed to providing a comprehensive curriculum and high-quality instruction. All of our teachers have a minimum of a bachelor’s degree, and many have additional degrees, including graduate degrees, TESL/TEFL degrees, and other certifications. MLI’s instructors have a minimum of three years of teaching experience (including a minimum of 3 months full-time ESL instruction), the equivalent in education training (such as a degree in ESL or TESOL), or a combination of the two. Many have experience teaching overseas. As well as being well-qualified, they enjoy working with students and strive to make the learning experience dynamic, creative, and enjoyable.

Further, where MLI has actual knowledge that any material or activity using material on the school's system or network is infringing, or is aware of facts or circumstances from which infringing activity is apparent, the school shall act expeditiously to remove or disable access to the material. Users violating MLI copyright and infringement policy may be subject to the full measure of disciplinary action up to and including warnings, suspension and termination of MLI student status and/or employment where applicable. MLI expressly reserves the right to terminate or suspend the user’s network access if MLI, in its sole judgment, believes that circumstances relating to the infringement of third party intellectual property rights warrant such action. III. CLASS DESCRIPTIONS

ESL (Full Program) - 1728 Hours (Eight Terms)
All ESL courses at Mentor Language Institute contain 3 different classes focusing on two primary components each: Grammar & Writing, Reading & Vocabulary, and Listening & Speaking

Vacation English (Full Program) - 1516.8 Hours (Eight Terms)
The Vacation English program is for international students who do not possess an F-1 student visa and arrive as temporary visitors. Vacation English students attend courses in the ESL program and follow the same curriculum.

Beginning ESL - 432 Hours (Two Terms) for F1 students; 379.2 Hours (Two Terms) for Non-F1 students (Vacation English)

This course is designed to introduce and develop fundamental English skills. The focus of this course is on the basic language and functions required to effectively communicate in the English-speaking world.

Prerequisite: A Placement Test score from 0 to 25 (for Beginner Track 1) and from 26 to 34 (for Beginner Track 2).

Basic grammatical structures presented in this course include the simple sentence parts (nouns, pronouns, articles, verbs, adjectives, adverbs, prepositions), present/past simple verbs, modals, question formation, and comparatives/superlatives. Fundamental grammar structures are introduced through ample examples and explanations so that students can experiment and become familiar with ways of communicating their ideas in the target language.

The reading and vocabulary stressed in this course involve simple, sentence-level reading and the acquisition of survival vocabulary covering a variety of everyday activities and functions. Basic words needed for simple interactions are presented through a variety of visuals and class activities designed to encourage the practical use of newly acquired vocabulary in real-life situations.

Listening and speaking skills are introduced through the use of realia, pictures, and pantomime. The focus of the listening/speaking section of the class is to help students build their basic fluency and comprehension skills so that they can deal with common situations and topics in an English-speaking environment. Development of basic pronunciation skills will also be emphasized.

III. CLASS DESCRIPTIONS (continued)
All ESL courses at Mentor Language Institute contain 3 different classes focusing on two primary components each: Grammar & Writing, Reading & Vocabulary, and Listening & Speaking

Intermediate ESL - 432 Hours (Two Terms) for F1 students; 379.2 Hours (Two Terms) for Non-F1 students (Vacation English)

This course emphasizes the expansion and development of basic conversational functions, essential grammatical structures, and simple reading skills, including a broader range of vocabulary items.

Prerequisite: A Placement Test score from 35 to 44 (for Intermediate Track 1) and from 45 to 52 (for Intermediate Track 2).

The main focus of the grammar section is to strengthen and reinforce fundamental grammatical skills through controlled exercises and open-ended fluency activities. Students are introduced to a wider range of verb tenses, including the simple present, present continuous, simple past, past continuous, present perfect, present perfect continuous, present/past passive, past perfect, and the future with will/be going to. The emphasis is on expanding the student’s knowledge of verb tenses and more detailed grammatical structures to facilitate fluency beyond the functional level.

In the reading/vocabulary section, the focus is on strengthening basic reading skills and expanding the student’s vocabulary base through a variety of extension activities designed to facilitate the expression of ideas related to the reading topics. The development of more involved reading skills, such as scanning, using contextual clues, and making inferences, is emphasized in order to deal with longer, more difficult reading passages. Students are provided with academically high-interest passages that will encourage students to use newly acquired vocabulary and share their background experiences.

In the listening/speaking section, students are introduced to a broader range of more detailed language functions that facilitate conversational competency on a more interactive level. Language functions and structures related to expressing opinions, describing people/things, identifying problems, giving advice, and making suggestions are used in creative extension activities designed to accommodate the student’s interest and confidence.

III. CLASS DESCRIPTIONS (continued)

All ESL programs at Mentor Language Institute contain 3 different classes focusing on two primary components each: Grammar & Writing, Reading & Vocabulary, and Listening & Speaking.

Both Conversation programs at Mentor Language Institute contain 3 different classes focusing on one primary component each: Conversation Management and Accent Reduction (CMAR), Focus on Idioms (FOI), Discussion – Role Play Practice (RPP) (for the Intermediate class), and In-Depth Discussion (IDD) (for the Advanced class).

Conversation: Intermediate – 432 Hours (Two Terms)
This course is designed to expand and develop students’ ability to converse effectively in the English language. The course presents and reinforces everyday English skills (as opposed to the more academic English of the ESL program).

Prerequisite: Eligibility for the Intermediate (Track 1) ESL program or higher.

In Conversation Management and Accent Reduction (CMAR), students work to improve everyday, practical communication skills. The focus of the class is on reducing accents sufficiently to produce clear, understandable American English pronunciation, and on learning to distinguish between the various phonemes of spoken English. Through a variety of speaking and listening activities, students are introduced to all of the various vowel and consonant sounds of American English, to syllable and word stress, and to rhythm and intonation.

In Focus On Idioms (FOI), students are introduced to idioms commonly used in everyday conversations, with an emphasis on using the idioms correctly in their own speech. Instructors present groups of related idioms of American English according to theme, such as “At the Doctor’s Office,” or “Driving a Car.” The idioms presented include a wide variety of phrasal verbs, collocations, and common slang terms. Students will practice idioms in a variety of different contexts and build confidence in using idioms in conversations and discussions.

The Discussion - Role Play Practice (RPP) class immerses students in various “real life” situations in which they must communicate effectively. Students will present dialogues and improvisations in a variety of contexts in order to simulate real situations in the English-speaking world. These situations are supplemented with discussions of culturally appropriate behavior and customs. In addition, students will practice both formal and informal telephone skills in a variety of different contexts using real telephones.

G. Financial Aid
Currently, Mentor Language Institute does not participate in any federal or state financial aid programs.

H. Loans
If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial and program funds. If you obtain a loan to pay for an educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

2. The student may not be eligible for any other federal student financial aid at another institution or for other government assistance until the loan is repaid.

I. Placement Services
Mentor Language Institute does not offer placement services at this time.

J. Distance Education
Mentor Language Institute does not offer distance learning at this time.

K. Experiential Learning
Mentor Language Institute offers non-credit courses in English and test preparation. Therefore, there is no award of credit for prior experiential learning.

L. Bankruptcy
Mentor Language Institute has no pending petition in bankruptcy, and is not operating as a debtor in possession. Further, Mentor Language Institute has not filed a petition within the preceding five years, or has had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101et seq.).

M. United States Citizenship and Immigration Service (USCIS) F-1 Regulations

i. Maintaining Student Status
A student admitted to the United States in F-1 status must meet certain requirements in order to maintain their legal status and follow the guidelines as set forth by USCIS. Some of these are as follows:

A student must:

1. Maintain and keep a valid passport.
2. Maintain and follow the attendance policy at the school listed on the I-20 form.
3. Maintain a full-course of study, which requires a minimum of 18 clock hours a week.
4. Maintain current enrollment at the school listed on the I-20 form.
5. Follow all rules and regulations of the school listed on the I-20 form.
C. Class Change Policy
If for some reason a student feels that he/she was placed in the incorrect class and would like to try another program, that student must make an appointment with the Program Coordinator. The student’s teacher(s) and Program Coordinator must agree that the student can enter another program. In addition, the student may be required to take a placement test to make sure that it is the correct level for the student.

D. Drop Out/Withdrawal Policy*
A student has the right to withdraw from a course of instruction at any time. A withdrawal can take place either by written notice provided by the student to MLI, or by student conduct, including but not necessarily limited to, lack of attendance.

Should a student choose to withdraw by written notice, he/she must complete a Drop Out/Withdrawal form obtained at the front desk. Once the form is filled out and signed, it must be taken to the front desk, where it will be recorded, and filed. The student must refer to the Refund Policy for any applicable refund (see Refund Policy).

*If a student with an F-1 visa decides to withdraw from or is dropped from the program, the student may be found in violation of his/her F-1 visa status. The United States Citizenship and Immigration Service (USCIS) will be informed of all students who drop out and/or withdraw from classes.

E. Cancellation Policy
You have the right to cancel this enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. “Cancellation” is defined as: any voluntary change in enrollment or request for refund prior to enrollment.

F. Refund Policy
You shall be refunded 100% of the amount paid for institutional charges, less both a $150 non-refundable processing fee and a $100 shipping and handling fee (if MLI processed the mailing of your I-20), if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later.

If after the above cancellation deadline, the refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund, less a $150 non-refundable processing fee and the Student Tuition Recovery Fund (STRF) fee.

Under California law, if the student withdraws after using more than 60% of the class hours paid for, no refund will be issued.

If Mentor Language Institute cancels a program subsequent to a student’s enrollment, all fees will be refunded.

Upon cancellation, withdrawal, termination or completion of enrollment, any refund due the student will be determined and will be paid within 45 days after the date of determination.

If a student’s enrollment was facilitated by an authorized MLI overseas agent, the refund shall be made to the agent. However, the processing of any refund may be governed by the contractual agreement between the student and the agent. Students are advised to consult with their agents prior to entering into this enrollment agreement should they have any questions.

III. CLASS DESCRIPTIONS (continued)
Both Conversation programs at Mentor Language Institute contain 3 different classes focusing on one primary component each: Conversation Management and Accent Reduction (CMAR), Focus on Idioms (FOI), Discussion – Role Play Practice (RPP) (for the Intermediate class), and In-Depth Discussion (IDD) (for the Advanced class).

Conversation: Advanced – 432 Hours (Two Terms)
This course is designed to develop students’ ability to converse fluidly in the English language. The course enhances and reinforces students’ ability to use practical English (as opposed to the more academic English of the ESL program) for the more experienced English speaker.

Prerequisite: Eligibility for the High Intermediate (Track 1) ESL program or higher.

In Conversation Management and Accent Reduction (CMAR), students work to incorporate correct pronunciation and intonation into everyday, practical discourse. Students will examine American English pronunciation rules and patterns, and work to distinguish between similar-sounding words and phrases in spoken English. Through a variety of speaking activities—including debates, presentations, speeches, and discussions—students will learn to speak with confidence, clarity, and native-like pronunciation.

In Focus On Idioms (FOI), students explore the use of idioms commonly used by native speakers in everyday conversation, in popular media, and in professional and political discourse. They are introduced to slightly more sophisticated idioms than are presented in the intermediate class, with an emphasis on correctly using those terms in various “real-life” contexts. The idioms presented include a wide variety of phrasal verbs, collocations, and common slang terms. Students will build confidence by using these idiomatic expressions in conversations, discussions, and debates.

For the In-Depth Discussion (IDD) class, students will develop and sharpen skills in formal and informal debates and discussions. The topics of discussion relate to current, real-life issues commonly discussed in the United States and in the world at large. Students will practice forming arguments and counter-arguments and clearly articulating personal points of view. Discussions will provide ample opportunities to learn about American culture, and will promote cross-cultural comparisons. Emphasis is on practical application of the terms and concepts learned in the other course components, as well as on cultural awareness and sensitivity.

The two Life Skills programs at Mentor Language Institute contain 3 different classes focusing on one primary component each: Life Skills (LS), Focus on Idioms (FOI), Discussion – Role Play Practice (RPP) (for the Intermediate class), and In-Depth Discussion (IDD) (for the Advanced class).

Life Skills: Intermediate – 432 Hours (Two Terms)
This course is designed to develop transferrable life and workplace language skills. The course will expand and develop students’ ability to converse effectively in the English language. The course presents and reinforces everyday English skills (as opposed to the more academic English of the ESL program).

Prerequisite: Eligibility for the Intermediate (Track 1) ESL program or higher.

In Life Skills (LS), students work on improving workplace skills, career readiness, and 21st century challenges. Students will develop transferrable academic and workplace skills. Additionally, students will improve everyday, practical communication skills. The focus during this portion of the class is integrated skills in order to improve students’ accuracy and usage of target structures with regard to interaction and production of the four skills (listening, speaking, reading, and writing).

In Focus On Idioms (FOI), students explore the use of idioms commonly used by native speakers in everyday conversation, in popular media, and in professional and political discourse. They are introduced to slightly more sophisticated idioms than are presented in the intermediate class, with an emphasis on correctly using those terms in various “real-life” contexts. The idioms presented include a wide variety of phrasal verbs, collocations, and common slang terms. In any 12-month period, the Maximum Leave Of Absence Allowed is determined by the program a student is enrolled in at the time of the leave of absence (as listed in the chart above). Note that these maximums only apply to students enrolled in the full program (e.g., 36 weeks of TOEFL). A student enrolled under an F-1 visa may be granted multiple leaves of absence for a maximum total period in accordance with: (a) the written leave of absence policy of MLI; (b) the regulations of the Department of Homeland Security; and (c) sound educational and professional practice.

i Annual Vacation/Personal Leave of Absence
In addition to the regularly scheduled holidays or breaks, a student, if qualified, may take a vacation/personal leave of absence lasting 4 weeks. To qualify for a vacation, a student must enroll for the next module AND must have completed a minimum of 16 consecutive weeks prior to taking the annual vacation. When submitting the request for personal leave of absence, the student needs to register another term.

ii Medical/Family Emergency/Service Leave of Absence
Students may also take a leave of absence due to a documented health reason or family emergency. Satisfactory documentation shall be from a verifiable source other than the student and can include a note from a health care provider, a military order, or a study abroad contract.

A student will be permitted to take their leave of absence for the number of days specified by their medical provider in the leave of absence request. After these dates have passed, the student will subsequently be required to resume their studies on the following day of class, as per the MLI Academic Calendar.

If a leave of absence is four weeks or fewer, the student’s previous records will be considered when calculating the completion of that particular program. If a leave of absence is more than four weeks, the student will be administered another placement test to ascertain proper placement, and the student will be treated as a new enrollment.

Failure to return to a student’s course of study after an approved leave of absence will result in termination from the school. An approved leave of absence may be extended for an additional period of time provided that the extension request meets all of the above requirements, and the total length of the leave of absence does not exceed a maximum limit of 50% the program length.
maintained and will be available for inspection at all times. Student transcripts/progress reports are retained indefinitely.

B. **Access to Student Records**

The Family Right and Privacy Act of 1974 (PL93380) prohibits an institution from releasing the school records or any other information about a student to any third party without the written consent of the student. Mentor Language Institute maintains all educational records of students in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974, and requires written consent from the student before education records are disclosed to third parties, with the exception of accrediting commissions or governmental agencies so authorized by law.

Students must request a Student Records Release form from the front desk for each release they request.

Mentor Language Institute guarantees the student’s right to access his/her own files. Requests for transcripts must be in writing and can be sent to:

**Westwood Campus**
Mentor Language Institute, Attention: Office Personnel
10880 Wilshire Blvd., Suite 122, Los Angeles, CA 90024

**Hollywood Campus**
Mentor Language Institute, Attention: Office Personnel
7080 Hollywood Blvd., Suite 312, Hollywood, CA 90028

Please enclose a stamped, self-addressed envelope along with a $10.00 transcript fee.

VI. **ENROLLMENT POLICIES**

A. **Attendance Policy**

Students are expected to attend class daily for the entire class period, with a minimum of 80% attendance required to maintain student standing. A student may be terminated from MLI if the number of absences for the student has become excessive. Please see Section IV.H. of this catalog for a more detailed discussion of MLI’s attendance policy.

B. **Leave of Absence Policy**

A leave of absence is defined by MLI as time away from studies, with two types of leave of absences possible: Annual Vacation/Personal Leave of Absence and Medical/Family Emergency/Service Leave of Absence. If a student wishes to take a leave of absence but not be terminated from MLI, the student must request the leave of absence in writing at least 10 academic days in advance of the beginning date of the leave of absence, unless unforeseen circumstances prevent doing so. The student must sign and date the leave of absence request, specify the reason for the leave, and indicate the start and end dates of the leave. If a student takes a leave of absence without providing the required documentation, the student will be terminated from MLI.

III. **CLASS DESCRIPTIONS** (continued)

The two Life Skills programs at Mentor Language Institute contain 3 different classes focusing on one primary component each: Life Skills (LS), Focus on Idioms (FOI), Discussion – Role Play Practice (RPP) (for the Intermediate class), and In-Depth Discussion (IDD) (for the Advanced class).

**Life Skills: Advanced – 432 Hours (Two Terms)**

This course is designed to develop students’ ability to converse fluently, particularly using life and workplace language skills. The course enhances and reinforces students’ ability to use practical English (as opposed to the more academic English of the ESL program) for the more experienced English speaker.

**Prerequisite:** Eligibility for the High Intermediate (Track 1) ESL program or higher.

In **Life Skills (LS)**, students work on improving workplace skills (a continuation of what was learned in the intermediate level) as well as more advanced career readiness including negotiation, asking for advice, enhancing job seeking skills, making small talk, giving constructive criticism, problem solving, making an impression, facing defeat; 21st century challenges; and continuing to develop transferable academic and workplace skills.

In **Focus On Idioms (FOI)**, students explore the use of idioms commonly used by native speakers in everyday conversation, in popular media, and in professional and political discourse. They are introduced to slightly more sophisticated idioms than are presented in the intermediate class, with an emphasis on correctly using those terms in various “real-life” contexts. The idioms presented include a wide variety of phrasal verbs, collocations, and common slang terms. Students will build confidence by using these idiomatic expressions in conversations, discussions, and debates.

For the **In-Depth Discussion (IDD)** class, students will develop and sharpen skills in formal and informal debates and discussions. The topics of discussion relate to current, real-life issues commonly discussed in the United States and in the world at large. Students will practice forming arguments and counter-arguments and clearly articulating personal points of view. Discussions will provide ample opportunities to learn about American culture, and will promote cross-cultural comparisons. Emphasis is on practical application of the terms and concepts learned in the other course components, as well as on cultural awareness and sensitivity.

III. CLASS DESCRIPTIONS (continued)

The two Business Communications programs at Mentor Language Institute contain two different sections focusing on one primary component each: Integrated Business Concepts and Interactive Business Communication Skills.

Business Communications: Intermediate – 240 Hours (One Term)

Prerequisite: Eligibility for the Intermediate (Track 2) ESL program or higher.

English is the language of international commerce. This course serves as an introduction to the terms commonly used throughout the business world through an exploration of international business practices and concepts.

In Integrated Business Concepts, students develop an understanding of the language and concepts necessary for success in an international business environment. Students will explore a variety of topics through listening exercises, readings, writing projects, and discussions. Topics include work performance and productivity, business innovation, marketing, and investment. Emphasis is also placed on the importance of cultural considerations in an increasingly global business world.

In Interactive Business Communication Skills, students will take a hands-on approach to essential business communication skills and practices. Through a variety of activities, lectures, field trips, and projects, students will learn to craft effective presentations, make the most of PowerPoint, conduct professional telephone conversations, write business letters, network, and negotiate on a variety of matters, from salaries to contracts. Topics of discussion will include meeting protocol and etiquette, crafting an effective business plan, ethical business practices, and successful marketing campaigns.

Business Communications: Advanced – 240 Hours (One Term)

Prerequisite: Eligibility for the High Intermediate (Track 1) ESL program or higher.

The Advanced program of Business Communications follows the same basic structure of the Intermediate program. The class is divided into two sections, Integrated Business Concepts and Interactive Business Communication Skills. The Advanced class takes a more in-depth look at those topics introduced in the Intermediate level, with ample opportunities to improve and expand upon the skills learned therein. Through more challenging materials and textbooks, students in the Advanced program will work to grow their business vocabulary while refining their business communication skills and reinforcing their understanding of essential business concepts.

M. Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits earned at Mentor Language Institute (MLI) is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the diploma or certificate you earn in the educational program is also at the complete discretion of the institution to which you seek to transfer. If the credits, diploma, or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet their educational goals. This may include contacting an institution to which you may seek to transfer after attending Mentor Language Institute to determine if your credits, diploma, or certificate will transfer.

At this time, Mentor Language Institute offers non-credit courses and therefore does not recognize any credits earned at other institutions in courses of ESL study or through challenge, examinations, and achievement tests.

N. Exit Requirements

An exit form that includes an exit survey and exit test is administered to students that are leaving the school. A student’s score on this test does not affect his/her SAP or level-advancement in any way. It is simply an in-house instrument used to measure students’ academic progress from the time of initial placement, which helps MLI assess the overall effectiveness of its programs. Students can compare these two scores as an independent measure of their own progress upon request. The exit requirements also apply to non-f1 students who have enrolled for 4 weeks or longer.

V. STUDENT RECORDS

A. Record Retention

Records will be stored by year. Current records will be filed according to day of enrollment and are retrievable by student name. Records for each student will be maintained for a period ending five years after the date of the student’s graduation, withdrawal or termination. Each file will contain a copy of the student’s: completed application form, enrollment agreement, I-20 (if applicable), bank statement, passport information, entrance exam, financial information, certificate(s) of completion (if applicable), record of enrollment, withdrawal (if applicable), leave of absence, tuition information/refund information, and any complaints or correspondence. All applicable documents must be signed. A printed copy of each current record required by the California Code of Regulations Section 71930 for each student shall be maintained for 10 years.
terminated from MLI. If, at any point, a student’s attendance average falls below 40% for one module, that student’s enrollment will automatically be terminated.

I. Making Up Classes
For students with low attendance or academic progress, there are three ways to improve these requirements:

• Attend more than 80% of classes (for example, a student with only 70% attendance would need to maintain a minimum of 90% attendance for the same length of time)
• Attend a private lesson* for the number of hours missed from the regular class, in which a private-lesson instructor will cover the material missed in class, as well as provide additional instruction to meet the student’s unique needs
• Attend a makeup class* for the number of hours missed from the regular class. The class will be led by a qualified instructor who will be instructing, facilitating, and/or monitoring each student consistent with the classwork requirements and activities missed by each particular student. The work done in the makeup class will be comparable in content and time and will be delivered in the same manner as the class missed. Makeup classes will be offered once a week. A student can make up no more than 10% of the regular hours in makeup classes.

*Please note that the options above involve additional cost.

J. Appeals
If a student receives an Intent to Terminate Enrollment notice, he/she can appeal the termination. In order to appeal, the student must first submit an appeal in writing that explains the special circumstances that caused the termination, such as the death of a relative, injury or illness of the student, or other special circumstances. The appeal will be given to a committee made up of the Program Coordinator and/or Academic Director, the Manager and/or D.S.O., and an instructor, whichever is deemed appropriate. Before a decision is made, a meeting will be scheduled for the student to discuss the appeal with the committee. If the appeal committee accepts the student’s appeal, the student will be placed on probation until the end of the term or until the problems causing termination are corrected, whichever comes first.

K. Transfer and Articulation Agreements
The ESL programs at Mentor Language Institute are uniform at each campus. For example, a High Intermediate Track 2 student in Westwood who wished to transfer could enter directly into High Intermediate Track 2 in Hollywood.

L. MLI Requirements
MLI has special agreements, or Mutual Recognition Programs (MRP), with many Los Angeles area schools. These MRP agreements allow students to transfer without a TOEFL® score, and some also allow concurrent enrollment, which means MLI students can take part-time credit classes while the student is still enrolled at MLI. After students complete the High Intermediate ESL program at MLI, they can transfer to certain local colleges without a TOEFL® score.

In addition to successfully completing the High Intermediate program at MLI, students must also take the initial placement test given at the college they are planning to attend. The following colleges have MRP agreements with MLI:

III. CLASS DESCRIPTIONS (continued)
The Business Plus TOEIC® program at Mentor Language Institute contains 2 different sections focusing on one primary component each: Integrated Business Concepts and TOEIC®. This program essentially combines the Integrated Business Concepts section of the Business Communications course with a TOEIC® exam preparation course.

Business Plus TOEIC® – 432 Hours (Two Terms)

Prerequisite: Eligibility for the Intermediate (Track 2) ESL program or higher.

This course serves as an introduction to the terms commonly used throughout the business world through an exploration of international business practices and concepts. Additionally, it prepares students for success on the TOEIC® Listening and Reading Exam by introducing essential vocabulary and exploring strategies for achieving a high score on the test.

In Integrated Business Concepts, students develop an understanding of the language and concepts necessary for success in an international business environment. Students will explore a variety of topics through listening exercises, readings, writing projects, and discussions. Topics include work performance and productivity, business innovation, marketing, and investment. Emphasis is also placed on the importance of cultural considerations in an increasingly global business world.

In TOEIC®, students will work to expand their vocabulary and improve their reading, listening, and grammar skills, with the ultimate goal of achieving a high score on the test. The Test Of English for International Communication (TOEIC®) is a standardized test used by various companies and organizations throughout the world as an effective measure of a job candidate’s ability to understand written and spoken English. In TOEIC® class, students will acquire a variety of vocabulary terms essential to everyday communication. They will also examine the 7 parts of the TOEIC®, and develop strategies for approaching each part. Listening and reading exercises (modeled directly after each of the 7 parts of the test) will be taken daily, and 3 complete practice tests will be taken per term.

The schedule for the Business Plus TOEIC® course is unique, with students from this course combining with students from the Business Communications courses three times a week. The schedules for Business Communications and for Business Plus TOEIC® are as follows.

III. CLASS DESCRIPTIONS (continued)

The GRE®/GMAT® program at MLI contains 3 different sections focusing on one primary component each: Vocabulary Analysis and Expansion, Essay Practice, and Reading Comprehension.

GRE®/GMAT® – 648 Hours (Three Terms)

Prerequisite: Demonstration of English proficiency equivalent to the completion of the High Intermediate program, either through a grade report, TOEFL score, or placement test score.

Students seeking entrance into graduate school in the United States will need a score on either the Graduate Record Exam (GRE®) or the Graduate Management Admission Test (GMAT®). Students in GRE®/GMAT® will learn essential skills and strategies for high achievement on the verbal portions of each of the respective tests. While much of the class focuses on elements common to both exams, individual attention will also be given to those parts of the test which differ.

In Vocabulary Analysis and Expansion, students will work to acquire a broad range of challenging, graduate-level vocabulary, and develop strategies for deducing the meanings of unknown words. Topics of discussion include word roots and etymologies, prefix analysis, suffix grammar, and word connotations. Instructors will test students’ retention and understanding of the focus vocabulary with weekly quizzes.

The Essay Practice class will prepare students for the essay sections of both the GRE® and GMAT® by introducing the two different types of exam essays, by explaining the criteria by which writing is scored, and by offering strategies for crafting effective responses to various topics. Students will see their own writing improve through a variety of in-class and take-home writing exercises, and through simulated test scenarios. Additionally, students will analyze completed essays and templates to develop strategies to achieve their maximum writing potential.

In Reading Comprehension, students will explore the types of texts and questions they will encounter on both exams. Students will develop strategies for becoming active, engaged readers with an eye toward answering comprehension questions correctly. A variety of texts on diverse academic subjects will be read and analyzed, and students will regularly answer practice questions on these passages. Topics of discussion include drawing conclusions, summarizing passages, distinguishing between major and minor points, making inferences, analyzing arguments, and navigating common test traps.

In addition to regular course work, three full-length verbal practice tests will be taken per term. It should be noted that MLI does not offer test-preparation practice for the mathematics sections of either the GRE® or GMAT®.

It is possible in some cases for students in ESL, Conversation, and Business programs to come off of probation before the 12-week term is over. If, for example, a student reaches SAP in the first module of the probationary term (as averaged together over the last 3 modules), he/she will be immediately taken off of academic probation and can advance to the next track. A student must achieve SAP in three consecutive modules before he/she can be taken off of probation. Any student in a test prep program put on probation will remain on probation for an entire 12-week term.

H. Attendance & Attendance Probation

Students are expected to attend class daily for the entire class period, with a minimum of 80% attendance. Attendance will be checked every hour of every class. Students who have not maintained 80% attendance at the end of a module will be put on attendance probation. These students will receive a notice informing them of this. They must then meet with the Office Manager or D.S.O., who will inform them of what they need to do to get back in good standing.

Students are expected to be on time for class, and to stay for the duration of each class period. Students must be in class and ready to study within 10 minutes of the scheduled start time or they will not be admitted and will be marked absent for that period. If a student is less than 10 minutes late, he/she will be admitted to class, but will be marked tardy. Students must be on time upon returning from class breaks as well. If they are late, they will be marked tardy. Students who are more than 5 minutes late returning from scheduled breaks will not be admitted to class. MLI refers to this as the 10-5-5-5 rule (after the 3 daily breaks taken in ESL classes). Students may not enter class more than 10 minutes after the scheduled start time, and more than 5 minutes after each of the scheduled break times.

Excessive tardiness is a serious problem. Not only do tardy students miss the beginning of their lessons, but they also distract their classmates and their teachers. In order to discourage tardiness, MLI counts every three tardies as one hour of absence.

The same goes for students who leave class early. If a student leaves class within 10 minutes of the scheduled end time, this will be noted in the student’s attendance record. Three such instances will count as one absence. If a student leaves more than 10 minutes prior to the scheduled end time, the student will be marked absent for the entire period.

When students are put on attendance probation, they have two modules to reach 80% attendance. For example, if a student’s attendance for Module A is 70%, he/she must reach a minimum of 90% in Module B, for a total average of 80%. He/she will then be taken off of probation. If the student fails to reach 90% in Module B, he/she has one more module to reach 80%, as averaged together from all three modules. At this point, students who have reached 80% will come off of probation; students who have failed to reach 80% will be
A. Have been enrolled in the course for a minimum of 36 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP)

vi. Requirements for Completion (IELTS™)
In order for a IELTS™ student to receive a certificate of completion for the program, he/she must:
A. Have been enrolled in the course for 24 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP) in both portions of the class

vii. Requirements for Completion (Cambridge™ Test Preparation)
In order for a Cambridge™ Test Preparation student to receive a certificate of completion for the program, either B2 First (FCE) or C1 Advanced (CAE), he/she must:
A. Have been enrolled in the course for 24 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP) in both portions of the class

viii. Requirements for Completion (Business Plus TOEIC®)
Because Business Plus TOEIC® combines elements of both Business and Test Preparation classes, students who wish to receive a certificate of completion for the program must satisfy requirements from both. They must:
A. Have been enrolled in the course for 24 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP) in both portions of the class

E. Policy on Repeating Test Preparation Courses
Occasionally, students may complete the TOEFL® preparation course but desire to take the course again (as students may need additional practice in order to reach the desired score). If a student wishes to repeat a course he/she must meet with the Program Coordinator or Test Preparation Coordinator to explain his or her unique situation. If the Coordinator determines that the student might benefit from course repetition, the student may re-enroll in that course one time (and one time only). The student is again expected to maintain Satisfactory Academic Progress in the course and fulfill all requirements.

F. Behavior
If a student does not observe the classroom rules or is found in violation of MLI’s stated Rules of Conduct, he/she will be given a verbal warning, and, if necessary, placed on Probation.

G. Academic Probation
Students who have failed to achieve SAP after two 12-week terms will be placed on academic probation. The probationary period is generally 12 weeks. At the start of this period, students must meet with either the Academic Director or Program Coordinator for probationary advisement, and again at the start of each probationary module. In these meetings, the AD or PC will discuss the student’s progress, and what he or she needs to do to be their advanced verbal skills to acquire and reinforce advanced vocabulary, make presentations and debate various social issues.

Throughout this course, the focus is on enhancing students’ advanced language capabilities through developing academic essays, reinforcing high-level reading skills, and presenting sophisticated arguments on a variety of relevant issues.

III. CLASS DESCRIPTIONS (continued)
The TOEFL® program at Mentor Language Institute contains four different sections corresponding to the four sections on the exam: Reading, Listening, Speaking, and Writing. The Reading and Listening sections each focus on one primary component, while the Speaking and Writing sections focus on two separate components each: Integrated Speaking & Independent Speaking, and Integrated Writing & Independent Writing. The instructor alternates between these components tri-weekly.

TOEFL® Test Preparation - 648 Hours (Three Terms)
Prerequisite: Completion of Intermediate (track 2) or higher, or a minimum Placement Test score of 52. Intermediate (track 2) students may transfer into TOEFL prior to completion if their Placement Test score is 52 or higher and the student receives approval from a program coordinator.

The Test Of English as a Foreign Language (TOEFL®) is a standardized test created and administered by Educational Testing Service in order to assess a non-native speaker’s ability to effectively communicate in English in an academic setting. Most American universities require a TOEFL® score for admission. Many government agencies, private companies, licensing bodies, and scholarship boards also require a score.

MLI’s TOEFL® class is an intensive look at the skills and strategies necessary to achieve a successful score on the four sections of the Internet-Based Test (iBT). In addition to classroom instruction, MLI regularly makes use of the computer lab at each campus in order to provide students with a more authentic TOEFL® experience. Computer practice is given in each subject area, but there is special emphasis on writing and speaking skills.

The class is divided into the following sections:
In the Reading section, students are introduced to the ten question types presented in the iBT reading section and learn strategies to answer the questions more effectively.

The Listening section introduces students to the six question types presented in the iBT listening section. Students will learn note-taking strategies to effectively capture main ideas and details.

In the Independent Speaking section, strategies are presented to improve speaking, organization, and pronunciation. Students speak on topics that simulate actual TOEFL® prompts, and are given feedback by the instructor.

As its name suggests, the Integrated Speaking section combines speaking with several other skill groups to simulate an actual academic context. This class gives students practice at responding orally to various written and recorded material. Strategies are presented to improve speaking, reading, listening, note-taking, and pronunciation. Students speak on topics that simulate actual TOEFL® prompts, and are given feedback by the instructor.
In Independent Writing, strategies are presented to help students write standard American English essays. Students write on topics that simulate actual TOEFL® prompts, and are given feedback by the instructor.

Like Integrated Speaking, the Integrated Writing section gives students practice combining several skills together. Students are given written and recorded materials and are asked to respond in writing. Strategies are presented to improve reading, listening, note-taking, and writing. Students write on topics that simulate actual TOEFL® prompts, and are given feedback by the instructor.

In addition to regular course work, three full-length practice tests will be taken per term.

IELTS™ – 432 Hours (Two Terms)

Prerequisite: Eligibility for Intermediate track 2 or above, either through a grade report, or placement test score.

Students seeking entrance into a university or college will need a score on the IELTS®. Students will learn essential skills and strategies for high achievement on each portion of the IELTS™ test.

The IELTS Program consists of 4 parts: Listening, Speaking, Reading, and Writing. The program is designed to specifically help non-native speakers of English improve their verbal, listening, reading, and writing scores on the IELTS test.

Listening
The focus of the listening section is to learn the strategies needed to improve their ability to answer the question types presented in the listening section and learn note-taking strategies to effectively capture the main ideas and details as well as develop overall comprehension skills.

Speaking
Speaking practice involves reviewing and analyzing the speaking section of the IELTS test. Students work on drawing logical conclusions to situations, and analyze how different phrasing expresses different ideas.

Reading
Passages and questions from the IELTS will be explained, analyzed and reviewed in both the group and individualized portions of the class. Timed readings are given to help students increase their reading pace, and skim- of criteria for SAP. They must reach Business SAP for the business portion of the class (see section C.i. of this document) and Test Prep SAP for the TOEIC® portion of the class (see section C.ii. of this document).

It should also be noted that, for test prep students scoring in a class’s top percentile range in regards to practice tests, instructors are given a certain amount of discretion in determining what constitutes satisfactory academic progress. While MLI’s scale for determining significant improvement takes into account the increasing difficulty of raising an already high test score, it is ultimately up to the instructor to decide if the student has indeed put sufficient time, thought, and effort into his or her studies. If a student scores 100 on a TOEFL practice test, for example, but is not able to reach that score again in the two subsequent modules, the instructor may nonetheless deem the student’s work in the course satisfactory, based on conferences with the student, the student’s unique academic goals, and the instructor’s observation of the student’s efforts in the class.

D. Certificate of Completion Issuance

i. Requirements for Completion (ESL, Vacation ESL)
If a student has completed a level within the ESL or Vacation ESL program (e.g., Beginner Tracks 1 and 2), a certificate of completion for that level will be issued. In order for a student to receive a certificate of completion and/or be promoted to the next level, he/she must:

A. Have been enrolled in the current program for 12 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP)

ii. Requirements for Completion (Conversation, Life Skills)
If a student has completed both tracks of a Conversation, or Life Skills program (e.g., Conversation Intermediate 1 and 2), a certificate of completion for that program or level will be issued. In order for a student who is enrolled for an entire Conversation or Life Skills program to receive a certificate of completion and/or be promoted to the next program, he/she must:

A. Have been enrolled in the current program for 24 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP)

iii. Requirements for Completion (Business)
In order for a Business student to receive a certificate of completion and/or be promoted to the next program, he/she must:

A. Have been enrolled in the current program for 12 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP)

iv. Requirements for Completion (GRE®/GMAT®)
In order for a GRE®/GMAT® student to receive a certificate of completion, he/she must:

A. Have been enrolled in the course for a minimum of 36 weeks
B. Have maintained a minimum of 80% attendance
C. Have made Satisfactory Academic Progress (SAP)

v. Requirements for Completion (TOEFL®)
In order for a TOEFL® student to receive a certificate of completion for the
complete Module A of that track in Week 1 of the following term before he/she may enter the next track.

Note: Non-F1 students, enrolled in the Vacation English program, are held accountable to the same SAP criteria above with the exception of the weekly assessment.

ii. Test Preparation SAP

As the goal of test preparation courses is to improve test performance, Satisfactory Academic Progress (SAP) in these courses involves making significant improvement on practice test scores. This improvement is assessed in the following way. Students take one test per module. A student’s first test score will be used as a measure against which future progress will be assessed. In order to achieve SAP, a student must show significant improvement over that initial score over the next two modules. MLU uses a graduated scale tailored to the relevant test to measure student improvement. So, a student who scores 72 on the TOEFL in Module A must then score at least 76 in either Modules B or C in order to achieve SAP. Students who remain in the course for a second 12-week term will again have 2 modules to show significant improvement. This will be measured against the first test score of the second 12-week term or the highest test score of the previous term, whichever is higher. For more information on the scales used to assess improvement, see either the course instructor or the Academic Director.

Missing practice tests is a problem. If a student misses two practice tests in a 12-week term, then that student has not made SAP and must meet with the Academic Director or Test Preparation Coordinator to discuss his or her academic progress. Students who miss three practice tests in one 12-week term are not taking their coursework seriously and will be forced to leave the program. These students must meet with the Academic Director to discuss their options.

If a student’s practice test scores remain below a certain base threshold at the end of 12 weeks, then the course is too difficult for the student and he or she must transfer to a different course. The student must meet with a Program Coordinator to discuss his or her options. See the course instructor or a Program Coordinator for the base thresholds for each test preparation course.

In addition to improving test scores, students must also achieve 70% participation to maintain SAP. Participation will be assessed at the end of each module. If students are not maintaining SAP at this time, they will receive a warning notice informing them of what, if anything, they can do for the remainder of the 12-week term to reach SAP.

Students who fail to achieve SAP at the end of 12 weeks will be allowed to continue in the course for a second 12-week term, but will be given a written warning regarding their academic process. Students who fail to achieve SAP after a second term will be placed on Academic Probation. Students on probation must reach SAP for their programs or face termination from MLU. A student on probation may transfer to a different program at the beginning of the next 12-week term, but will remain on probation in the new program. The student must then make SAP in the new program or be terminated from MLU. A student on probation may not transfer to a different program once the course has begun.

Please note that students attending Business Plus TOEIC® are held to two sets of standards.

Writing

Strategies are presented to help students write an analytical, data-based essay and an opinion-based standard essay. Students write on topics that simulate the actual IELTS questions, and are given feedback from the instructor.

### IV. ADMISSIONS & ACADEMIC POLICIES

#### A. Admissions Requirements

As a prerequisite to admission, applicants must be 18 years of age or older. Applicants must hold a valid high school diploma or its equivalent, transcripts or GED.

Applications are accepted throughout the year and must be in writing, either in hard copy or online.

As part of the admissions process, overseas F1 applicants must submit a completed application, a copy of a valid passport, current proof of financial responsibility and payment of all required fees. Transfer students must submit a completed application, a completed transfer-in form, a copy of a valid passport, a copy of a current I-20, a copy of their most recent I-94, current proof of financial responsibility and payment of all required fees. Overseas Vacation ESL applicants must submit a completed application.

Each 12-week term will have three modules: Module A, Weeks 1 - 4, Module B, Weeks 5 - 8, and Module C, Weeks 9 - 12. F1 Students will be able to start a class on the first Monday of weeks 1, 5, and 9, so there are 12 to 13 dates per year when students can enter a program. Vacation ESL Students can start every Monday (or Tuesday when Monday is a National Holiday) so there are 51 to 52 starting dates per year.

A student’s cumulative total length of academic study at MLI may not exceed 36 months.

Mentor Language Institute reserves the right, at its discretion, to withdraw registration from, or require withdrawal from the program of, any student or applicant.

Mentor Language Institute admits qualified students of any race, color, national or ethnic origin, sex, age, disability, religion, sexual orientation, and gender identity to all the rights, privileges, programs, and activities generally accorded or made available to its students. Consistent with its obligations under the law, MLI prohibits unlawful discrimination, including harassment, on the basis of race, color, national or ethnic origin, sex, age, disability, religion, sexual orientation, gender identity, or any other characteristic protected by applicable law in the administration of MLI’s programs and activities.

#### B. Entrance Testing Requirements

Students who wish to enroll at MLI will first take a placement test to assess the level of English proficiency. MLI uses the CaMLA Placement test for this purpose. The Program Coordinator (or other qualified faculty member) will both review the student’s history and placement test score and conduct an entrance interview in order to place the student in one of MLI’s ESL programs. Prerequisites for test preparation, conversation, and business courses are based on eligibility for or completion of these ESL programs. If a student is believed to have been placed into an inappropriate program, the student or any faculty member may approach the Academic Director or Program Coordinator to obtain additional assessment within the first week of placement.

If a student misses more than 8 continuous weeks of class, any previous scores and/or certificates of completion obtained can no longer be considered for program placement. A student who has missed more than 8 continuous weeks of class must take a placement test if they wish to continue enrollment to be placed in the proper program.

#### C. Satisfactory Academic Progress (SAP)

**i. ESL, Vacation ESL, Business, Life Skills & Conversation SAP**

Students are required to maintain Satisfactory Academic Progress (SAP) throughout the duration of ESL, Vacation ESL, Business, Life Skills or Conversation programs. Students are said to be maintaining SAP if they meet the following academic minimums, as averaged together from their work in all of their classes:

- 70% test scores* *Not applicable to non-F1 students
- 70% participation
- 70% homework

Progress will be assessed at the end of each module. If students are not maintaining SAP at this time, they will receive a warning notice stating that they are in danger of failing and what, if anything, they can do to pass the class. If a student fails because SAP is not maintained, that student may not advance to the next track, but rather, must repeat the course. The student may transfer to a different program at the Program Coordinator or Academic Director’s discretion. If the student fails the class again, the student may repeat the course a third time, but only on academic probation. A student on academic probation may transfer to another program, but he/she will remain on probation for the following 12 weeks. Once a student on probation has begun a program, he/she may not transfer to another. Failing any course while on academic probation will result in termination from MLI.

In some cases, it may be possible for a student who has failed a course to advance to the next level before repeating the entire course. If that student succeeds in reaching SAP, as averaged together over three consecutive modules, the student may then be promoted to the next level. For example, if a student who begins in Module A fails a class because he/she did not maintain SAP, that student must begin the course again. However, if, after repeating Module A, the student’s averages over Modules B, C, and the second Module A are enough to meet SAP, then that student may advance to the next level. This may be done only at the instructors’ and Program Coordinator’s/Academic Director’s discretion.

It is also important to note that in order for a student to advance to the next track, he/she must have gone through all three modules of the current track. The modules can be completed in any order. For example, if a student enters a program in Week 5 and finishes Modules B and C, the student must then
